WE ARE ANIMAL GUARDIANS • ANNUAL APPEAL 2025

**A**s we often say, the Furry line of pets never stops, but it does ebb and flow. We continue to have a large number of cat surrenders. Placements for dogs and cats are taking much longer this year.

Veterinary costs have taken a sharp rise, thus reducing our resources to assist animals in need. WAG needs

your assistance financially. Please help and donate any amount that you can.

Regardless of how long it takes, we keep searching for a permanent home for all of our pets. We couldn't do this without your generosity. Your donations are crucial and very much appreciated.

## OUR MISSION

Founded in 1996, WAG is an all-volunteer rescue and adoption organization based in central New Hampshire. We are dedicated to providing humane care and shelter for abandoned, abused, and unwanted animals; finding them suitable homes and increasing public awareness of responsible pet ownership.

While we work hard to make each placement permanent, we know that things can change in people's lives. WAG will take back any pet without question, regardless of how long the pet has been in the adoptive home. **We are here for an animal's entire life—no matter what.**
